Foundations is a non-profit organization which provides counseling services on a fee for service basis. Therefore, it is the responsibility of each client to cover the costs for their counseling. Our regular fee is \$75 per session (\$60 / session in SWB Area) per 55-minute session; however the fees for counseling services are reduced for members and regular attendees of partnering churches, and for those who qualify for the *Karen Hoffner Memorial Fund*, a scholarship program helping low-income families afford biblical counseling. Fees for counseling services are expected at each session. There is a \$25 charge for returned checks.

APPOINTMENT CANCELLATION POLICY

We require a 24 hour notice if you wish to cancel or are unable to keep an appointment (48 hours preferred). Email is not an acceptable form of contact. If you fail to give us a 24 hour notice you may be expected to pay a missed appointment fee of \$50.00 before another appointment may be scheduled. Appointments cancelled due to inclement weather or emergency situations as understood by the counselor are exempt from the missed appointment fee.

Clients are encouraged to arrive promptly for their counseling session. If a client arrives late, the counseling session will end at the regularly scheduled time and the client will be charged at the full rate. The therapist reserves the right to cancel the session if the client is at least 15 minutes late.

If the therapist cancels the appointment for reasons unrelated to the client, the client will be notified as soon as the conflict has been determined. If the therapist is late for the session, the client can expect a full, 50-minute session. The client will not be penalized for any scheduling conflicts or delays by the therapist.

PHILOSOPHY OF CARE

We are committed to providing professional, biblically-based counseling to all whom we serve, regardless of sex, race, religion, or sexual preference. We believe that an individual's emotions, thoughts, behaviors, and interactions are *caused* by motives that stem directly from the heart. Though the cause of most behaviors come from the heart, we recognize that we are created as spirit and body. Therefore, we recognize that many actions and interactions are *influenced* by our body chemistry (hormones, deficiencies, adrenaline, etc.) as well as our situations and circumstances. It is our desire to provide counseling that is God-centered, Spirit-led, and Hope-focused to help clients find peace emotionally, relationally, and spiritually.

We believe that our past influences affect present realities and relationships. We will focus on the heart's responses to past and present influences and address some of the foundational issues of worth, love, and trust. In Biblical counseling, you can expect practical & Biblical directions on how to live by faith, renew the mind, manage emotions, resolve trauma of the past, and pursue peace in relationships.

When necessary we will work with your physician or psychiatrist to ensure you receive the appropriate medical care in conjunction with the counseling services you receive.

* * Initial here if you understand and agree with this Philosophy of Care: _____
